2010-2011 TODDLER (TWO YEAR OLDS) REGISTRATION AND TUITION CONTRACT

The early childhood program is an integral part of the Forest Hills Jewish Center. It is in early childhood education that we begin to meet the challenge of making your child intimately rooted in, and connected to the Jewish experience in its totality, and therefore we accept only Jewish children into the program.

The undersigned are the parents (or guardians) of this child, who is Jewish (a Jewish child is one whose mother is Jewish). Should you have any questions pertaining to the religious status of your child because of adoption or conversion, we request that you discuss them with the Rabbi of this synagogue.
